Dear Valued Customer:

In response to market conditions, Sasol Chemicals North America will be increasing acetone prices by three cents per pound. The effective date for the increase is January 1st, or as contracts allow. List prices will not be changing.

<i>Product</i>	<i>January 1st Increase</i>	<i>List Price \$/LB</i>	<i>New List Price</i>
Acetone	\$0.03 per pound	.93	No

Please note that Sasol reserves the right to limit purchases to contractual volumes prior to implementation of the increase

Your Sasol Regional Sales Manager is available to review your specific situation as required.

Thank you for your continuing business.

Sincerely,
