

May 15, 2020

Dear Valued Customer:

Please be advised that effective June 1, 2020, Sasol Chemicals North America (unless otherwise specified by contract) will be instituting the following price changes:

Iso propyl alcohol will increase by **\$0.20** per pound.
N-propyl acetate will increase by **\$0.05** per pound.
N-propyl alcohol will increase by **\$0.15** per pound.

All other terms and conditions will remain the same.

Thank you for your business and your continued support. If you have any questions, please contact your Sasol Chemicals sales representative.

Sincerely,

12120 Wickchester Lane
Houston, Texas 77079 USA
