

January 20, 2021

Dear Valued Customer,

Effective February 1, 2021, Monument Chemical will increase selling prices for the following products.

Propylene Glycol – ALL GRADES	\$.05/lb
Dipropylene Glycol – ALL GRADES	\$.05/lb

Our acceptance of any orders submitted prior to the price increase will be subject to sales control that is currently in place.

Please contact your Monument sales representative to answer any questions you might have regarding this increase or sales control.

Thank you for your continued business and working with Monument Chemical.

Sincerely,

A handwritten signature in black ink that reads "Dan Malone". The signature is written in a cursive, flowing style.
