

January 19, 2021

Dear Customer,

Effective February 1, 2021, or as contracts allow, The Dow Chemical Company, on behalf of itself and its applicable consolidated subsidiaries (“Dow”), will increase prices by the amounts listed below on all grades and package types of the following products in North America:

Product	Price Increase (USD/lb)
Methyl Methacrylate (MMA)	\$0.08/lb
Glacial Methacrylic Acid (GMAA)	\$0.10/lb
Butyl Methacrylate (BMA)	\$0.12/lb

Please note:

- Order control is in place for the listed products. Order control volumes are based upon customer’s monthly average of purchased volume or restricted to the monthly maximum Dow is contractually obligated to sell.
- Lead-time for these products is extended to 14 business days (from order approval to shipment)

Thank you for your continued business with Dow. Your Account Manager is available for any questions or comments related to this communication.

Sincerely,

Juan Ilaria
North America Product Director
