Dear Valued Customer,

Effective March 1, 2021, Lyondell Chemical Company will increase prices as outlined in the table below, or as contracts allow:

<b>Chemical Name</b>	<b>Off-List Price Increase</b>
ISOPROPYL ALCOHOL (ANHYDROUS)	\$0.15/lb
ISOPROPYL ALCOHOL USP	\$0.15/lb

Our acceptance of orders submitted to ship prior to the increase date will be subject to our ability to supply, which includes, but not limited to, third party carrier availability and other logistical infrastructure limitations.

We appreciate the confidence you have placed in us as a supplier, and we look forward to continuing our business relationship. As always, please contact your sales representative if you have any questions regarding these price changes.

Sincerely,

James Deaton
