Dear Monomer Customer,

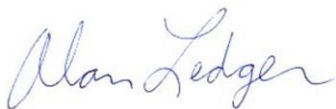

Lucite International Inc. is announcing the following price increase for April 2021. This increase is driven by continued tightness and significant costs being realized.

Effective April 1, 2021, the off list selling price will increase per the following:

Methyl Methacrylate Monomer (MMA)	\$0.14/lb
Methacrylic Acid (MAA)	\$0.18/lb
Ethyl Methacrylate (EMA)	\$0.14/lb
2-Ethyl Hexyl Methacrylate (2-EHMA)	\$0.14/lb
N-butyl Methacrylate (NBMA)	\$0.14/lb
Isobutyl Methacrylate (IBMA)	\$0.14/lb

Your account manager will contact you shortly to review these price adjustments and the drivers making this increase necessary.

Best regards,

Alan Ledger
National Sales Manager, Monomers
